The chart on the other side of this card provides a guideline for deciding the portion of your giving based on your household income. Each year, we ask you to reflect and re-evaluate your financial giving—is it a gift that is planned, proportionate, sacrificial, and thankful? After finding your approximate household income on the chart, please consider 'Taking a Step' to the next level in your financial giving to our parish. An equal percentage should be considered for giving to the other half such as Special Collections, the Annual Catholic Appeal, and other charities.
